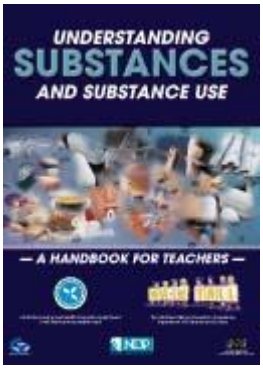
Aims of the School:

1. The provision of a safe and healthy school environment
2. To promote positive and healthy behaviour
3. To enhance pupils' knowledge of personal health
4. To promote pupils' self-confidence and self-worth
5. To work with parents, children, staff and support agencies

Knowledge / Instructional Programmes:

1. Walk Tall and Alive-O
2. Primary School Curriculum: SPHE
3. Information Book: Understanding Substances.



<u>Approach / Policies:</u>

Tobacco:

- Tobacco is prohibited in school
- Pupils are forbidden to smoke or have cigarettes in their possession in the school building or on school grounds or an activity organised and supervised by school staff.
- Staff/Visitors to the school must also adhere to the policy i.e. that smoking is prohibited in the school building or on the school grounds
- The Principal and Deputy Principal will be informed immediately should pupils be found smoking at the school and the tobacco will be consificated.
- The Principal will contact the pupil(s)'s parents
- Tobacco/cigarettes will not be offered as prizes in any school raffles
- Breach of these rules will entail sanctions under the Code of Discipline

Alcohol:

- The consumption of alcohol is prohibited by students in the school building or grounds of the school.
- Pupils are forbidden to drink alcohol or have it in their possession at school or at any school organised or extra-curricular activities (including tours, after-school games etc.)
- If a staff member believes that a pupil is under the influence of alcohol he/she will report this to the Principal / Deputy Principal immediately. Where necessary the alcohol will be confiscated. Parents will be contacted and a response to the incident will be decided upon.
- In the case of a pupil coming to school under the influence of alcohol his/her parents will be asked to bring him/her home
- Breach of these rules will entail sanctions under the Code of Discipline

Drugs / Illegal Substances:

- It is prohibited for pupils to have in their possession in the school building or on school grounds any illegal drugs/substances or even medication above that agreed between parent / guardian and the school as per the administration of medicines policy.
- Illegal drugs will be locked away until Gardai arrive. Staff will not carry the drugs at any time.
- If a staff member believes a pupil to be under the influence of drugs he/she will report this to the Principal / Deputy Principal immediately and a response to the incident decided upon
- If the school believes a pupil is carrying/selling illegal drugs the case will be first investigated, the pupil's parents informed and Garda assistance requested
- The Board of Management trusts that a parent/guardian will inform the Principal or class teacher if their child is taking illegal drugs
